### Odawara Castle

The Castle displays its own history along with arts and crafts, armor, and swords and other weapons.

You can dress up as a samurai, princess, or ninja and have your picture taken against the backdrop of the castle.

### Odawara Castle NINJA Hall

A *ninja* or *shinobi* was a secret agent in feudal Japan. They were highly skilled and specialized in unconventional battles such as infiltration and sabotage.

At the NINJA hall, you can learn about ninjas from visual and interactive exhibits using cutting-edge digital technology.

### Mishima Skywalk

From Japan's longest pedestrian suspension bridge measuring 400 meters in total, you can enjoy a magnificent panorama of Mt. Fuji.
